Why I Entered the Office:

How Chiropractic Helped Me:

Whenever my 2 daughters and I have neck or back pain, we look forward to coming to Dr. Laubach and Dr. Edland.

They are gentle, and relieve the pain. I trust them completely to help us heal. I love the way we feel after a treatment - FREE OF PAIN!!

Dr. Edland and Dr. Laubach, you are 2 wonderful doctors - and angels. We really appreciate you.
